Who We Are.

MISSION

We build brand systems that make businesses impossible to ignore. Strategy, content, visuals and distribution — working as one. Built for companies serious about dominating their market.

CAPTION · CATEGORY · DATE

We speak like people WHO HAVE NOTHING TO PROVE *and everything to deliver.*

WE ARE	WE ARE NOT
Bold	Arrogant
Direct	Vague or fluffy
Outcome-focused	Generic
Confident	Over-explaining
Premium	Repetitive
Intentional	Passive

WRITING RULES

Short sentences win.
More than 20 words, cut it in two.

Kill the filler.
"We are passionate about..." — delete every line like it.

Dutch mirrors English.
If it sounds stiff, rewrite it.

Lead with the outcome.
What the client gets comes first.

One idea per sentence.
State one thing. Move on.

No dashes as structure.
Use full stops and new sentences instead.

In PRACTICE.

CAPTION

RIGHT

Ready to build something that actually works? Let's talk.

Content SYSTEM.

Every post belongs to one of three types. Together they build awareness, trust and conversions.

TOFU

Video / Image

B&W cinematic base.

One orange accent word.

Purpose: awareness & reach.

1

MOFU

Testimonial

Full orange background.

Serif quote in white.

Purpose: social proof & trust.

2

BOFU

CTA Post

B&W split image.

Orange CTA word.

Purpose: conversion.

3

FEED RHYTHM

B&W dominates. Orange punctuates. The full orange post appears every third post — that is the pattern-break that stops the scroll.

2 B&W + 1 orange

Repeat always.

Visual EFFECTS.

Each shoot receives its own signature effect, applied consistently to every piece of content from that project. One shoot. One effect. Always.

Square Glass Distortion
01

Classy, bold and architectural. Luxury editorial feel. The 7EMPLE signature effect.

Motion Streaks
02

Energy and speed. Events, sport, automotive.

Film Grain Texture
03

Raw and authentic. Cinematic documentary style.

Light Leak Overlay
04

Warm and human. Lifestyle and personal brand shoots.

High Contrast Crush
05

Stark and powerful. Corporate authority positioning.

Double Exposure
06

Conceptual. Campaign work and brand storytelling.

One shoot. *One effect.* **Always.**

Never mix effects within the same shoot. It breaks the visual logic and reads as accidental.
